Mpls Downtown Improvement District was live.
Published by StreamYard · September 22, 2020 ·

Street Show is dedicated to bringing talented performers to the streets of downtown Minneapolis, since 2017. This year we are streaming live from performers' homes to where ever you are! Tune in every Tuesday and Thursday at noon central. In July and August we will be matching the performer's fee with a donation to a social justice organization of the performer's choice. Thank you also to Hennepin Theatre Trust and The Warming House for their support.
