My Winnipeg includes Public Toilets

Elderly people, disabled people, people with caregivers, women and children all have their lives limited by the lack of public toilets.

The Pop-up Toilet Initiative is a Downtown Winnipeg BIZ-funded venture answering the need for accessible washrooms in Winnipeg’s downtown core.

With this partnership, Siloam Mission is helping create more opportunity for those experiencing poverty and homelessness to gain work experience as they work toward progress and transition.
My Winnipeg includes Public Toilets

"Cause all 'tis happen's.
Jonas Tetro

"I need a washroom that accommodates me and my caregiver.
Kim Durose

"Most downtown have public toilets within a 250-meter radius. Why not Winnipeg?
Jean Teresa

"Do I have to use the parking lot again?
Shawn McLean

"Our close friends have varying abilities, so finding an accessible public washroom is always on our minds.
 города женщин и старых дел

"What do I do... when there's no washroom at the ice cream place?"
Daphne Harris

"It's a health issue. It's a human rights and dignity issue. It's a women's issue.
Sara Kogos

"Like over 100,000 Canadians, I have Colitis. I need public toilets here and soon.
Kamal Atiqui

"My mom says great cities have great public toilets.
Jane McLean

"We need convenient, clean and well-maintained public toilets for a broad range of community needs.
Jennifer Johnson

"As a local enthusiast, I am often asked by visitors 'Where is the closest washroom?'
Beverly Bell

"We need to find ways to support our relatives who may be living on the street.
Jennifer Johnson
