Sponsorship of a Summit allows you access to an audience of district leaders and professional placemakers who want to learn about products and services that will help their districts thrive.

- Promote your products and services to urban leaders working to improve the urban core.
- Expand your business, strengthen your brand and gain access to IDA’s unique audience of city movers and shakers looking to invest in their communities.
- Network with downtown decision makers including district management organizations and local government leaders.
- Highlight your company as an industry partner at this highly visible event.

On average, each organization provides $1.2 million in services in their districts to help businesses thrive and to make the district a great place for workers, residents and visitors. The top 20 cities in the U.S. and Canada benefit from a combined investment of $500 million dollars in public space improvements financed by private sector assessments alone.
