

One of our beloved Norfolk mermaids has gone missing! The city was notified today at 5pm.

There are 6 suspects

- Frank the Tank
- Sippin Sally
- The Admiral
- Lady Luck
- Pistal Pete
- Margo the Magician

There are 5 possible ways they did it

- Cut the metal base with a saw
- Made it disappear
- Knocked it over with brute strength
- Jackhammered it out of the ground
- Blew it up with dynamite

It's your job to figure out
WHO did it and HOW.

To do this

- Use the QR code or link
- Walk around and talk to other LiveNFK participants
- Share clues
- At the bottom of the page, you can make notes
- You get one chance to vote for WHO and HOW

<https://bit.ly/2siVMbF>

QR codes are located all around the room for your
to scan.

There are over 20 clues,
so talk with as many
people as you can!
