ECONOMIC DEVELOPMENT STRATEGISTS

THE CITY IS SEEKING TO FILL TWO POSITIONS
THE COMMUNITY

Nestled between the Santa Cruz Mountains and San Francisco Bay, Mountain View is a diverse community with an estimated population of 83,864. Mountain View covers just over 12 square miles, featuring over 1,000 acres of park and wildlife areas including the 750-acre wildlife and recreation area called Shoreline at Mountain View. In the heart of Silicon Valley, Mountain View is home to an attractive downtown and headquarters to many nationally and internationally known corporations including Google, Microsoft, LinkedIn, Intuit, and other major technology companies, along with a thriving small business sector. While leading the region in innovation and ideas, Mountain View remains committed to the values of strong neighborhoods and community involvement.

The City of Mountain View prides itself on providing exceptional public services and facilities that meet the needs of a caring and diverse community in a financially responsible manner. In the heart of the City, Mountain View’s historic and active downtown offers a wide range of attractions including a vibrant restaurant and shopping scene, cultural events, concerts, and a weekly Farmers’ market. The Civic Center, built around Pioneer Park, has one of the finest performing arts facilities in Northern California, as well as a 60,000 square foot, state-of-the-art Library.

Mountain View’s 44 City parks and extensive trail system provide an array of opportunities for recreation and active living. Shoreline At Mountain View is a regional park with stunning views along San Francisco Bay, featuring an 18-hole golf course, sailing lake, restaurant, and 9.7 miles of trail. Shoreline Amphitheatre boasts an exciting concert season bringing top-name performing artists to Mountain View.

The City has an impressive safety record and is regarded as one of the safest and best places to live and work in the Bay Area. The community is served by excellent public and private schools and is in proximity to some of the best universities in the nation, including Stanford, Santa Clara University, UC Berkeley, UC Santa Cruz, San Jose State, and Carnegie Mellon-West, providing top-notch advanced education and opportunities for lifelong learning.

CITY GOVERNMENT

The City of Mountain View is a forward-thinking, full-service city operating under the Council/Manager form of government. The seven Councilmembers are elected at large for four-year terms that are staggered, with elections held in even-numbered years. The Mayor and Vice Mayor rotate every year among the Councilmembers. Mountain View City Council has a well-earned reputation for taking the lead on challenging regional and state policy issues, working together with civility, and treating members of the community and City staff with respect and appreciation.

The Council has adopted a Strategic Roadmap to guide the City through the current fiscal year, focusing on seven priorities: Community for All, Intentional Development and Housing Options, Mobility and Connectivity, Sustainability and Climate Resiliency, Livability and Quality of Life, Economic Vitality, and Organizational Strength and Good Governance.

The City Council appointed Kimbra McCarthy as City Manager in March 2020. Under her leadership, the City pivoted quickly to the COVID-19 crisis to take bold and strategic steps to evolve the organization, implemented unprecedented new programs to serve the Mountain View community, and was on the forefront of defining the “next normal” as the region moved into recovery.

Mountain View’s sound fiscal practices, strong budget discipline, and diversified revenues, have allowed the City to maintain its AAA credit rating and helped it to remain resilient in the face of economic uncertainty. In fiscal year 2023-24, the City is supported by an all-funds revenue budget of $446 million, and a general operating fund budget of $181 million, with over 688 employees citywide. The City’s current Five-Year Forecast projects a healthy financial position, with structurally balanced budgets and anticipated operating balances. The City is very intentional regarding maintaining a robust and vibrant organizational culture. This demanding yet rewarding environment is suitable for professionals who are at, or striving to be, at the top of their game as this mid-size city performs more like a larger metropolitan municipality.

COMMUNITY DEVELOPMENT DEPARTMENT

The Community Development Department (CDD) focuses on creating a livable community that balances the needs of residents, property owners, and businesses. The Department is organized across the following four divisions Planning, Building, and Economic Vitality, and is supported by 50 FTE with a FY 2023-24 budget of $14.1 million.

The Community Development Department reflects the City’s unique and innovative approach with a fun, team-oriented culture. Team members are encouraged to innovate and try new things, building on the Department’s history of creativity and teamwork. Employees are able to learn and grow by working on interesting and innovative assignments, and being part of an engaged, high-performing team.

ECONOMIC VITALITY DIVISION

The Economic Vitality Division is responsible for the retention and recruitment of businesses, support and solutions-based approaches to help small business with a particular focus on those in the downtown, and the preparation and implementation of strategic plans for the City and the downtown.

The Division is also responsible for piloting new opportunities including a Personal Delivery Device program, Castro StEATS, Outdoor Mountain View, valet parking program for downtown, and envisioning the annual Technology Showcase that started eight years ago. Collaborating with both public and private sector strategic partners, the Division is responsible for being the business advocate within City Hall.
THE IDEAL CANDIDATE
