I. INTRODUCTION

The City of Berkeley is considering proposals from firms specializing in the formation of Parking Benefit Districts (PBDs) for the Lorin Business District and Gilman Business District (“the Districts”) pursuant to Section 36600 et seq. of the California Streets and Highways Code, also known as the Property and Business Improvement District (PBID) Law of 1994 (the “Act”). Parking Benefits Districts (PBDs) are defined geographic areas, typically in commercial areas or along commercial corridors in which a majority of the revenue generated from on and off-street City owned parking facilities within the district is returned to the district to finance neighborhood improvements, programing and activities. In Parking Benefit Districts, a Parking District Board or Advisory Committee can utilize a percentage of parking revenues generated within the district to make neighborhood improvements that improve quality of life, implement or maintain infrastructure and increase neighborhood safety. The study areas consist of various commercial, residential and light industrial parcels as outlined in the attached Lorin Business District map (Exhibit A) and Gilman Business District map (Exhibit B). In December 2020, the Berkeley City Council adopted the Adeline Corridor Plan which includes the goal to “...*explore the potential to establish Business Improvement District(s) [in the study area]*”.

The purpose of this request for proposal document is to work with the City of Berkeley to establish two separate Parking Benefit Districts (PBDs). Tasks will include:

- a. Development of detailed PBD boundary maps, in both PDF, GIS shapefiles and other formats required by the city Engineering Department.
- b. Accompanying preparation of an “Engineering Report” for each district produced in accordance with Section 36600 et seq. of the California Streets and Highways Code, also known as the Property and Business Improvement District (PBID) Law of 1994 (the “Act”).
- c. Estimate of Revenue (annual) for each district, based on current and projected parking capacity and revenues
- d. Recommendation of initial establishment term (5 or 10 years), management structure, and organizational implementation plan and relevant by law creation for each PBD’s governing body.
- e. Production of two separate Management District Plans (one for Gilman and one for the Lorin), with the method and basis of assessment for each articulated in accordance with Section 36600 et seq. of the California Streets and Highways Code, also known as the Property and Business Improvement District (PBID) Law of 1994 (the “Act”).
- f. Accompanying drafting of PBD establishment documents, including council resolutions, and public hearing materials including public notification documents (including mailing lists) in accordance with relevant regulations.

II. SCOPE OF SERVICES

The goal of this contract is to retain professional services to assist in the research, document preparation, and legislative efforts required to establish two new parking benefit districts in Berkeley starting in calendar year 2025.

Tasks & Preparation:

The specific tasks may include (but are not limited to, and may not necessarily include all of) the following phases and activities:

Phase I:

- Phase I reflects the initial assessment of creating the PBD. This will include, but is not limited to, reviewing meeting materials, touring site areas, developing a project timeline with tasks and associated costs.

Phase II:

- Phase II reflects the analytical work, reviewing and understanding the services, budget development, parking areas to be assessed, and quantifying the general and special benefits, drafting the management district plan for review and consideration by the Lorin Business Association and Gilman District Association respectively.

Phase III:

- Phase III reflects the legal process to establish the PBD. This will include, but is not limited to, the development of ordinances, the Management Plan, the Engineer’s Report, and then concluding with the City Council Agenda Report and associated public hearing documents.

Preparation

- Proposers are encouraged to review relevant reports, plans and policies, both those in process and adopted.
- Proposers are encouraged to propose any additional phasing, or project elements they believe will improve the desired project outcome.
 - Phasing in the Lorin District should be closely aligned with the development of the Ashby BART station and the closure of the two existing BART owned public parking lots at the Ashby BART station (anticipated Fall 2025).
- Proposers shall analyze a strategy that retains revenue from Residential Parking Permits and long-term parking passes within the plan areas.
- Proposers are expected to prepare for and attend public hearings and make presentations as needed (not to exceed 8 public meetings).
- Provide final relevant documents, including native file formats including the Management Plan, Engineer’s Report, revenue projections, mailing lists, etc. All documents relevant to the establishment of each district should also be packaged in a binder (one per district) and provided in a packaged PDF (print digital format).

In order to promote competition and increase the number of eligible bidders, the RFP should avoid imposing unnecessary requirements or qualifications that unfairly restrict the competition.

Term:

The contract term shall be for a period of 12 months with an option to extend for an additional 12 months at the sole discretion of the City of Berkeley.

Funding Availability:

Up to \$70,000 for the creation of both parking benefit districts.

III. SUBMISSION REQUIREMENTS

All proposals shall include the following information, organized as separate sections of the proposal. The proposal should be concise and to the point.

1. **Contractor Identification:**

Provide the name of the firm, the firm's principal place of business (see section VII, F. – Local Vendor Preference), the name and telephone number of the contact person and company tax identification number.

2. **Client References:**

3. **Price Proposal:**

The proposal shall include pricing for all services. Pricing shall be all inclusive unless indicated otherwise. Pricing proposals shall be a separate document. The Proposal shall itemize all services, including hourly rates for all

professional, technical and support personnel, and all other charges related to completion of the work shall be itemized. Evaluation of price proposals are subject to the local vendor business preference (see section VII.F.)

4. Contract Terminations:

If your organization has had a contract terminated in the last five (5) years, describe such incident. Termination for default is defined as notice to stop performance due to the vendor’s non-performance or poor performance and the issue of performance was either (a) not litigated due to inaction on the part of the vendor, or (b) litigated and such litigation determined that the vendor was in default.

Submit full details of the terms for default including the other party’s name, address, and phone number. Present the vendor’s position on the matter. The City will evaluate the facts and may, at its sole discretion, reject the proposal on the grounds of the past experience.

If the firm has not experienced any such termination for default or early termination in the past five (5) years, so indicate.

5. Documentation of your firm’s commitment to and efforts towards sustainability. This can be a strategic plan with back-up documentation, desk manual samples, memos, flyers, etc.

VI. CITY REQUIREMENTS

A. Non-Discrimination Requirements:

Ordinance No. 5876-N.S. codified in B.M.C. Chapter 13.26 states that, for contracts worth more than \$3,000 bids for supplies or bids or proposals for services shall include a completed Workforce Composition Form. Businesses with fewer than five employees are exempt from submitting this form. (See B.M.C. 13.26.030)

Under B.M.C. section 13.26.060, the City may require any bidder or vendor it believes may have discriminated to submit a Non-Discrimination Program. The Contract Compliance Officer will make this determination. This applies to all contracts and all consultants (contractors). Berkeley Municipal Code section 13.26.070 requires that all contracts with the City contain a non-discrimination clause, in which the contractor agrees not to discriminate and allows the City access to records necessary to monitor compliance. This section also applies to all contracts and all consultants.

Bidders must submit the attached Non-Discrimination Disclosure Form with their proposal.

B. Nuclear Free Berkeley Disclosure Form:

Berkeley Municipal Code section 12.90.070 prohibits the City from granting contracts to companies that knowingly engage in work for nuclear weapons. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that engages in nuclear weapons work. If your company engages in work for nuclear weapons, explain on the Disclosure Form the nature of such work. **Bidders must submit the attached Nuclear Free Disclosure Form with their proposal.**

C. Oppressive States:

The City of Berkeley prohibits granting of contracts to firms that knowingly provide personal services to specified Countries. This contracting prohibition may be waived if the City Council determines that no reasonable alternative exists to doing business with a company that is covered by City Council Resolution Nos. 59,853-N.S., 60,382-N.S., and 70,606-N.S. If your company or any subsidiary is covered, explain on the Disclosure Form the nature of such work.

Bidders must submit the attached Oppressive States Disclosure Form with their proposal.

D. Sanctuary City Contracting Ordinance:

Chapter 13.105 of the Berkeley Municipal Code prohibits the City from granting and or retaining contracts with any person or entity that provides Data Broker or Extreme Vetting services to the U.S. Immigration and Customs Enforcement Division of the United States Department of Homeland Security (“ICE”).

Bidders must submit the attached Sanctuary City Compliance Statement with their proposal.

E. Conflict of Interest:

In the sole judgment of the City, any and all proposals are subject to disqualification on the basis of a conflict of interest. The City may not contract with a vendor if the vendor or an employee, officer or director of the proposer's firm, or any immediate family member of the preceding, has served as an elected official, employee, board or commission member of the City who influences the making of the contract or has a direct or indirect interest in the contract.

Furthermore, the City may not contract with any vendor whose income, investment, or real property interest may be affected by the contract. The City, at its sole option, may disqualify any proposal on the basis of such a conflict of interest. **Please identify any person associated with the firm that has a potential conflict of interest.**

F. Berkeley Living Wage Ordinance:

Chapter 13.27 of the Berkeley Municipal Code requires that contractors offer all eligible employees with City mandated minimum compensation during the term of any contract that may be awarded by the City. If the Contractor is not currently subject to the Living Wage Ordinance, cumulative contracts with the City within a one-year period may subject Contractor to the requirements under B.M.C. Chapter 13.27. A certification of compliance with this ordinance will be required upon execution of a contract. The current Living Wage rate can be found here: [Information for Vendors | City of Berkeley \(berkeleyca.gov\)](https://www.berkeleyca.gov/Information-for-Vendors). The Living Wage rate is adjusted automatically effective June 30th of each year commensurate with the corresponding increase in the Consumer Price Index published in April of each year. If the Living Wage rate is adjusted during the term of your agreement, you must pay the new adjusted rate to all eligible employees, regardless of what the rate was when the contract was executed.

G. Berkeley Equal Benefits Ordinance:

Chapter 13.29 of the Berkeley Municipal Code requires that contractors offer domestic partners the same access to benefits that are available to spouses. A certification of compliance with this ordinance will be required upon execution of a contract.

H. Statement of Economic Interest:

The City's Conflict of Interest Code designates "consultants" as a category of persons who must complete Form 700, Statement of Economic Interest, at the beginning of the contract period and again at the termination of the contract. The selected contractor will be required to complete the Form 700 before work may begin.

VII. OTHER REQUIREMENTS

A. Insurance

The selected contractor will be required to maintain general liability insurance in the minimum amount of \$2,000,000, automobile liability insurance in the minimum amount of \$1,000,000 and a professional liability insurance policy in the amount of \$2,000,000 to cover any claims arising out of the performance of the contract. The general liability and automobile insurance must name the City, its officers, agents, volunteers and employees as additional insured.

B. Worker's Compensation Insurance:

A selected contractor who employs any person shall maintain workers' compensation insurance in accordance with state requirements. Sole proprietors with no employees are not required to carry Worker's Compensation Insurance.

C. Business License

Virtually every contractor that does business with the City must obtain a City business license as mandated by B.M.C. Ch. 9.04. The business license requirement applies whether or not the contractor has an office within the City limits. However, a "casual" or "isolated" business transaction (B.M.C. section 9.04.010) does not subject the contractor to the license tax. Warehousing businesses and charitable organizations are the only entities specifically exempted in the code from the license requirement (see B.M.C. sections, 9.04.295 and 9.04.300). Non-profit organizations are granted partial exemptions (see B.M.C. section 9.04.305). Persons who, by reason of physical infirmity, unavoidable misfortune, or unavoidable poverty, may be granted an exemption of one annual free license at the discretion of the Director of Finance. (See B.M.C. sections 9.04.290).

Vendor must apply for a City business license and show proof of application to Purchasing Manager within seven days of being selected as intended contractor.

The Customer Service Division of the Finance Department located at 1947 Center Street, Berkeley, CA 94704, issues business licenses. Contractors should contact this division for questions and/or information on obtaining a City business license, in person, or by calling 510-981-7200.

D. Recycled Paper

Any printed reports for the City required during the performance of the work shall be on 100% recycled paper, and shall be *printed on both sides of the page* whenever practical.

E. State Prevailing Wage:

Certain labor categories under this project may be subject to prevailing wages as identified in the State of California Labor Code commencing in Section 1770 et seq. These labor categories, when employed for any “work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work,” constitute a “Public Work” within the definition of Section 1720(a)(1) of the California Labor Code requiring payment of prevailing wages.

Wage information is available through the California Division of Industrial Relations web site at:
http://www.dir.ca.gov/OPRL/statistics_and_databases.html

F. Local Vendor Preference

City of Berkeley applies a local vendor preference for comparing pricing submittals in RFP responses (City Council Resolution No. 69,890-N.S.)

A **local business** is defined as “a business firm with fixed offices or distribution points located within the City of Berkeley boundaries and listed in the Permits and License Tax paid file, with a Berkeley business street address.”

Competing for non-professional services

For the purposes of comparing pricing as part of this competitive RFP for non-professional services up to \$250,000, 5% shall be deducted from the bid price proposal from any local Berkeley vendor in order to assign evaluation points to the pricing section.

CITY OF BERKELEY
Living Wage Certification for Providers of Services

TO BE COMPLETED BY ALL PERSONS OR ENTITIES ENGAGING IN A CONTRACT FOR PERSONAL SERVICES WITH THE CITY OF BERKELEY.

The Berkeley Municipal Code Chapter 13.27, Berkeley's Living Wage Ordinance (LWO), provides that contractors who engage in a specified amount of business with the City (except where specifically exempted) under contracts which furnish services to or for the City in any twelve (12) month period of time shall comply with all provisions of this Ordinance. The LWO requires a City contractor to provide City mandated minimum compensation to all eligible employees, as defined in the Ordinance. In order to determine whether this contract is subject to the terms of the LWO, please respond to the questions below. Please note that the LWO applies to those contracts where the contractor has achieved a cumulative dollar contracting amount with the City. Therefore, even if the LWO is inapplicable to this contract, subsequent contracts may be subject to compliance with the LWO. Furthermore, the contract may become subject to the LWO if the status of the Contractor's employees' changes (i.e. additional employees are hired) so that Contractor falls within the scope of the Ordinance.
